**THIRTEENTH CONGRESS
Second Regular Session**

House Bill No. 4982

Introduced by the Honorable Ma. Milagros H. Magsaysay

EXPLANATORY NOTE

This proposed legislation is aimed to monitor the correct amount of taxes and duties of all motor vehicles registered in the Land Transportation Office (LTO). As a curative legislative measure, this bill, also seeks to aid in the control of the registration of car-nap, carjack and other vehicles of illegal sources.

For number of years registered motor vehicles were able to defraud government by not paying the correct amount of taxes and duties perpetrated and abetted by some LTO and custom personnel.

The sizeable revenue that can be collected as a result of the accurate assessment of the taxies and duties for motor vehicles will greatly contribute in reducing the budget deficit of the national government, and through the passage of this bill, it will help government agencies in fighting criminals who defraud registration of illegally acquired motor vehicles.
