THIRTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 4987

Introduced by REP. DANILO P. LAGBAS

EXPLANATORY NOTE

The establishment of **Kabulakan National Agricultural High School** is a need long dreamed for by the people in Balingoan, 1st District of Misamis Oriental. While it remains a dream, the people never cease to wish for its realization knowing fully that the constitution enshrines this provision as a right. Hence, the constitution in its Article XIV, Section I declares that: "The State shall protect and promote the right of all citizens to quality education at all levels of education and shall take appropriate steps to make such education accessible to all."

The enthusiasm of the people of Balingoan for the realization of this dream has resulted to the donation of a lot for where buildings for this high school may be erected. It also enlisted the pledges of some institutions willing to help in seeing the project realized.

Barangay Kabulakan hosts the area's agronomic and livestock undertakings, which could eventually host as the training ground on the study of agriculture.

It is for this reason that the soonest approval of this bill is earnestly sought.
