House Bill No. 5297

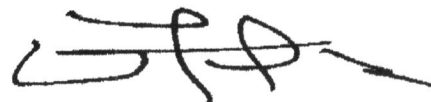

Introduced by **Honorable Simeon L. Kintanar**

EXPLANATORY NOTE

Every Filipino parent dreams that their children finish their education. Consequently, parents try their best to give their children good education even just in the secondary level. To educate their children is a fulfillment of their moral and social obligations. Furthermore, the State, as mandated by our Constitution, shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make education accessible to all.

This bill therefore seeks to establish a national high school in Barangay Cansuje, Municipality of Argao, Province of Cebu to be known as the Cansuje National High School.

The endowment of a national high school in barangay Cansuje responds to the need of the growing student population in the mountain barangays of Central Argao. It will also be of great help to the parents because their children can still help them with the farm and household chores before and after classes. Besides, incidental expenses will greatly lessen as compared to sending their children to the poblacion some 10 kilometers away for their education. In view of the foregoing considerations, approval of this bill is earnestly requested.
