### EXPLANATORY NOTE

It is the dream of every Filipino family to see their children finish, if not college, at least a secondary education. Moreover, to be able to give their children good secondary education is a fulfillment of their moral and social obligation as parents. Furthermore, the State, as mandated by our Constitution, shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make education accessible to all.

This bill, therefore seeks to establish a national high school in Barangay Busay, Municipality of Moalboal, Province of Cebu to be known as the Busay National High School.

The establishment of a national high school in barangay Busay shall respond to the growing need of the youth in the mountain communities of Moalboal. It will contribute toward the alleviation of rural poverty.

In view of the foregoing considerations, approval of this bill is earnestly requested.
