House Bill No. 5364

Introduced by Honorable Catalino V. Figueroa

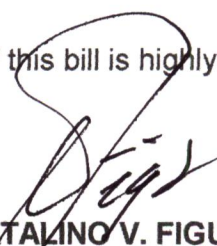

EXPLANATORY NOTE

This bill seeks to construct a pre-school building for the Motiong Central Elementary School, Municipality of Motiong, Province of Samar.

The Motiong Central Elementary School is an ordinary public elementary school by ordinary students. It faithfully served the needs of its students by giving them the necessary basic facilities that the school can offer despite of its lack of classrooms. For so many years now, the pre-school students are sharing a classroom with the elementary students. Further, the said school can no longer accommodate a big number of classes because of its deteriorating condition. Students are forced to hold their activities outside the classrooms or in the open space in between school buildings.

It has been the dream of the school's students, teachers, administrators and parents that there be constructed pre-school building in their school so that they maybe properly structured making it more conducive to learning.

In view of its importance, passage of this bill is highly recommended.
