**EXPLANATORY NOTE**

Article XII, Section 2, paragraph 1 of the Constitution states that “xxx the exploration, development and utilization of natural resources shall be under the full control and supervision of the xxx”. Mandated as such, the State is, therefore, obligated to fulfill this task. Economic development and material advancement should come with exhilarating natural wonders. Their full utilization and development, therefore, is an integral part of our march towards progress.

It is for this reason that tourism is one of the top earners among our country’s growing industries. The domestic and global promotion of tourist spots has dramatically increased through the concerted effort of the Department of Tourism and the Philippine Tourism Authority. Their vigorous advertising campaign is netting the country huge revenues.

This bill complements our government’s drive to realize its tourism goals. It proposes to develop the **Malingen and Alip Hot Spring** in Barangay Malingen, Columbio, Sultan Kudarat province into a world class tourist destination. It possesses the allurement of typical tourist spot with a beauty, which is inherent in its character. Aside from the medical effects of the hot spring especially on skin diseases, many people including tourists who visited the hot spring have experienced healthful effects especially in joint pains after having a dip in the pool.

Thus, in line with the Province’s goal of generating additional resources for its various developments undertaking through the sustainable and effective utilization of its resources, this proposed measure is being submitted for consideration.

In view of the foregoing, the approval of this bill is earnestly sought.
