

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

THIRTEENTH CONGRESS
Second Regular Session

HOUSE BILL NO. 5414

Introduced by **HONORABLE SUHARTO T. MANGUDADATU**

EXPLANATORY NOTE

Education is a right not a privilege. Section 5, Article XIV of the Constitution directs the State to give the highest priority to education. The State guarantees the right of every Filipino to quality education at all levels and required the State to take appropriate steps to make education accessible to all.

Education is the only treasure that the parents can provide to their children. This is the ultimate dream to alleviate the economic conditions and literacy of the people. The school children of Barangay Bayawa need proper room for learning in which they can develop and enhance their skills and abilities.

Thus, this representation, as a symbol of his commitment to education, goals and vision for the lasting peace and development in the area, files a bill which seeks to provide for the construction of four (4) classroom school buildings for Bayawa Elementary School in the Municipality of President Quirino, Sultan Kudarat.

The Division Superintendent of the Province of Sultan Kudarat, in his report, shows that there is an acute shortage of classrooms and utility rooms due to a steadily increasing student population. In order to uplift the standard of learning, overcrowding in classrooms should be avoided.

Because this measure will ultimately allow for the development of a competent human resource base so necessary to sustain economic growth in the municipality, province and region, its approval is highly recommended.
