**EXPLANATORY NOTE**

This bill seeks to construct a two (2) room school building for the Laygayon Elementary School, Barangay Laygayon, Municipality of Pinabacdao, Province of Samar.

The Laygayon Elementary School is an ordinary public elementary school by ordinary students. It faithfully served the needs of its students by giving them the necessary basic facilities that the school can offer despite of its lack of classrooms. For so many years now, the students are sharing a classroom with other classes. Further, it can no longer accommodate a big number of students because of its deteriorating condition. Students are forced to hold their activities outside the classrooms or in the open space in between school buildings.

It has been the dream of the school's students, teachers, administrators and parents that there be constructed a two room school building in their school so that they maybe able to achieve quality education.

In view of its importance, passage of this bill is highly recommended.
