Thirteenth Congress
Second Regular Session

House Bill No. 5455

Introduced by Honorable Catalino V. Figueroa

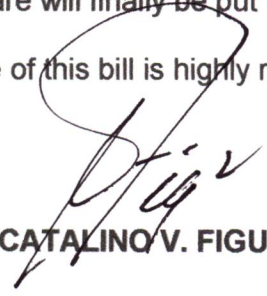

EXPLANATORY NOTE

This bill seeks to construct a new school building at the Lokilokon Integrated High School in *Barangay* Lokilokon, Municipality of Paranas, Province of Samar.

The Lokilokon Integrated High School has, for many years now, faithfully served the needs of the high school students not only in *Barangay* Lokilokon but also of the neighboring *barangays* and *sitios* in the municipality. The present school building also houses the elementary students and leaves little space for the secondary students. Besides, it is now in a stage of deterioration due to the usual wear and tear. During the rainy season, the leaking roof lets the water into the existing classrooms thus, soaking the children and causing flooding in the school. The health and safety of all school children are greatly jeopardized.

It is hoped that with the construction of a new school building, the parents' concern for their children's welfare will finally be put to rest.

In view of its importance, passage of this bill is highly recommended.
