THIRTEENTH CONGRESS

FIRST REGULAR SESSION

HOUSE BILL NO. **5509**

INTRODUCED BY CONGRESSMAN ANTONIO H. CERILLES

EXPLANATORY NOTES

The establishment of National High School in Barangay Libayoy in the Municipality of Tigbao, Province of Zamboanga del Sur, is timely. It responds to the ongoing education program of government to provide adequate and attainable opportunities to young people in the far-flung areas.

Barangay libayoy and its neighboring barangays comprise a service area where needs for high school is long felt. The propose National High School is 3 kilometers away from the nearest national high school. Yearly, a sizeable number of elementary graduates are unable to pursue a secondary education because of the location and limited number of high school in the vicinity. As the greater mass of the families are poor, private education become prohibitive to them. Most of the young, after graduation from elementary, either idle way there time or take up traditionally unrewarding endeavors. To them, the vicious cycle of poverty begins early as they are unable to cash in on the new opportunities which progress brings. In the process the vicinity suffers from not having a wide reserve of young men educated and trained either outright at the second level or eventually at the tertiary level to match manpower needs as service area grows.

The need for education to raise the over-all command of life further underlies the importance of this measure. A progressive kind of education oriented towards both job skills and values such as that provided by the national government, can indeed lift community life to a comfortable level.

With the establishment of a National High School the government will bring new vigor to community life in barangay libayoy and its neighboring barangays.

In view of the foregoing consideration, early approval of this bill is earnestly sought.
