

5/8-B

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

Thirteenth Congress
Third Regular Session

House Bill No. 5519

Introduced by Honorable Catalino V. Figueroa

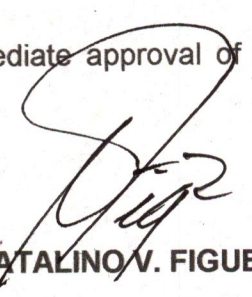

EXPLANATORY NOTE

This measure seeks to address the long-standing request of the people of *Barangay* Tenani, Municipality of Paranas, Province of Samar for the establishment of an integrated school in their area. An integrated school has been an urgent concern because the existing schools in the town are far from the reach of the students living in *Barangay* Tenani and its neighboring *barangays*. Moreover, if and when an integrated school is established, students residing in the *barangay* will be spared the agony of traveling to and living in other *barangays* and the town proper where other schools are located.

There have been intermittent requests from parents for the establishment of an integrated school in *Barangay* Tenani and nearby areas. A substantial number of young people in the area will be directly benefited by this proposal. Indeed, there is a demand by the whole community for its immediate establishment.

The creation of this integrated school, through legislation, will not only minimize school-related expenses but will also contribute to the realization of the national goal to provide universal access to education particularly in the level of basic education.

In view of the foregoing, the immediate approval of this measure is earnestly requested.
