Thirteenth Congress
Third Regular Session

House Bill No. 5521

Introduced by Honorable Catalino V. Figueroa

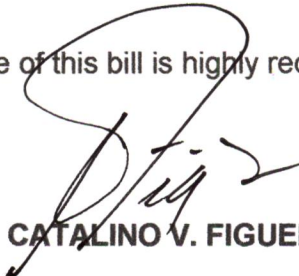

EXPLANATORY NOTE

This bill seeks to construct a concrete pavement at the Jiabong National High School in the Municipality of Jiabong, Province of Samar.

The Jiabong National High School has, for many years now, faithfully served the needs of its students by giving them the necessary basic facilities that the school can offer. It is a national high school by ordinary standards. But it is bereft of improvements for many years already. Students hold their activities in the often muddy grounds of the school.

It has been the dream of the school's students, teachers, administrators and parents that there be constructed a concrete pavement in their school so that they can do their daily school activities with much ease and comfort.

In view of its importance, passage of this bill is highly recommended.
