HOUSE BILL NO. 5523

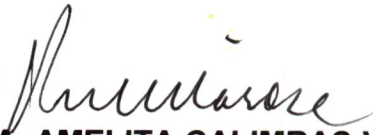

Introduced by HON. MA. AMELITA CALIMBAS-VILLAROSA

EXPLANATORY NOTE

This bill seeks to appropriate much-needed funds for the construction of additional classrooms for the San Jose Agricultural and Industrial High School Mangarin Extension located in Barangay Mangarin, Municipality of San Jose, Province of Occidental Mindoro.

Hundreds of thousands of our young people will troop to schools with the opening of classes this month only to be confronted with the sad reality that existing facilities are not enough to cater to their needs. We are thus reminded of our duty to continuously provide not only for their immediate concerns but to address their foreseeable requirements in the succeeding school years as well.

That the youth is the hope of the Fatherland is a truism that cannot remain within the realm of ideals. We must instead take concrete actions towards its achievement. In view of the foregoing, approval of this bill is earnestly sought.
