Thirteenth Congress
Third Regular Session

House Bill No. 5603

Introduced by HON. FRANCIS 'BLUEBOY' L. NEPOMUCENO

EXPLANATORY NOTE

This bill seeks to convert the Arayat Blvd., Brgy. Pampang in the City of Angeles, Pampanga into a national road to be known as Congresswoman Juanita Lumanlan Nepomuceno Highway.

Roads augment economic activities as they provide mobility and accessibility of people, thus opening a horizon of economic prospects, employment and commercial generation. It is essential therefore that such roads should be maintained, improved and repaired when necessary to assure that the purposes are fully served.

The Arayat Blvd., city road is a vital link to transport farm produce of the city such as rice, corn, vegetables, meat, and fish to the center and nearby towns. It is one of the major arterial roads between Clark Special Economic Zone and the city's public market, hospital, first class subdivisions, farms and national high school. The national government has invested P100 million for the construction of the Hensonville Bridge which is adjacently located along the said road. Its present condition urgently needs repair because of damages sustained from floods and ordinary wear and tear. Unfortunately the road cannot be effectively maintained due to insufficient funds for the purpose from the local government.

By converting it into a national road, it would transfer the responsibility of maintenance to the national government through the Department of Public Works and Highways (DPWH), thus channeling the resources earmarked for the maintenance of the said road to more important projects and programs of the local government and this representation.

In view of the foregoing, approval of this bill is earnestly sought.
