HOUSE BILL NO. 5627

Introduced by HON. MA. AMELITA CALIMBAS-VILLAROSA

EXPLANATORY NOTE

This bill seeks to establish a barangay health center in Barangay Casague, Municipality of Sta. Cruz, Province of Occidental Mindoro.

Countless moving requests are received by my office on a daily basis for the construction of basic infrastructure needs of constituents and this is one of those I categorized as high priority. It is a significant realization that the life, health and well-being of a community had long been put to risk when all they need is a nominal sum. It is no longer necessary to belabor the point that the welfare of the country rests on the health of its people, and that no stone should remain unturned for their protection.

In view of the foregoing, the immediate approval of this bill is earnestly sought.
