**HOUSE BILL NO. 5677**

---

**Introduced by Honorable Laurence B. Wacnang**

---

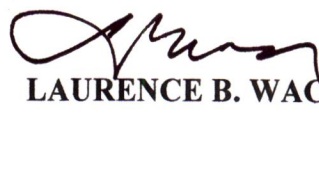

**EXPLANATORY NOTE**

This bill seeks to amend the title and Section 1 of Republic Act 6876, which established the ten-bed municipal hospital in Barangay Si-it, Municipality of Tanudan, province of Kalinga known as the Tanudan District Hospital.

The amendment involves the changing of Barangay Si-it into Barangay Bannagao in both the title and Section 1 of the Republic Act, in order to make the said Act conform to the real situation, which is--the hospital is actually located in Bannagao and not in Si-it, Tanudan.

The site originally planned for the hospital was Barangay Si-it, as it was written in RA 6876. However, when the law was about to be implemented, several unforeseen problems concerning the original site's viability and adequacy in relation to building's facilities and design, started to manifest themselves, which severely delayed and compromised the hospital's construction. Since this was a certified urgent project, the local leadership decided to build the hospital in another site located at Barangay Bannagao in order to meet the set timetable.

In light of the foregoing, the passage of this bill is earnestly sought.
