Second Regular Session

HOUSE BILL NO. 5688

Introduced by HON. DANTON Q. BUESER

EXPLANATORY NOTE

This bill seeks to establish a national high school in Nanhaya, Municipality of Victoria, Province of Laguna, to be known as the Nanhaya National High School and to appropriate funds therefor.

Barangay Nanhaya and its neighboring communities have in recent years burgeoned in population as a result of the influx of families from neighboring barangays and municipalities who have opted to resettle therein to find livelihood in agriculture. As an anticipated consequence, there has been a significant upsurge of secondary students coming from the area.

As the nearest public secondary school is kilometers away, a large chunk of the meager income of the families whose source of livelihood come from farming go to sizeable transportation expenses and "baon" as going home for lunch would again entail additional transportation expenses. It is noteworthy that high school students coming from Barangay Nanhaya and the neighboring communities have to traverse kilometers to attend school. As a result, their family's resources that could be devoted to other important purposes are sacrificed.

It is in view of the foregoing that the establishment of a national high school in the area has been deemed exigent. The immediate passage of this bill is most earnestly requested.
