HOUSE BILL NO. 5826

Introduced by **FRANCIS G. ESCUDERO**

EXPLANTORY NOTE

This bill seeks to separate the vocational high school in Barangay Cagbolo, Magallanes, Sorsogon from the Magallanes National Vocational High School and convert it into an independent national high school to be known as the Cagbolo National Vocational High School.

The high school in Barangay Cagbolo, Magallanes, Sorsogon is an extension of the Magallanes National Vocational High School (MNVHS) which is located in Magallanes, Sorsogon. It offers the same vocational curricula as that of the mother school, MNVHS.

For several years, the move to establish a separate and independent high school has been raised and the feasibility explored. It has already been commenced by the previous school administrators. Per result of the feasibility study, it was revealed that the school could better function as a separate entity to enable it to exercise full responsibility and accountability for its existing resources, budget, facilities and school personnel, teachers and staff. Thus, it will better serve the studentry and the community.

Presently, the school facilities are complete and the necessary requirements for the establishment of the school have been complied with. In July 2006, the Department of Education has issued a government permit to commence the establishment of a public secondary school in Barangay Cagbolo, Municipality of Magallanes, Province of Sorsogon.

Likewise, the local government unit concerned, in support of the establishment of a public secondary school, has appropriated the amount necessary to cover the salaries of teachers during its transition period towards full independence from its mother school. Afterwards, the budget for the operation of the proposed school shall be included in the General Appropriations Act.

In view of the foregoing, the approval of this bill is earnestly sought.
