HOUSE BILL NO. 5904

Introduced by **HON. CYNTHIA A. VILLAR**

EXPLANATORY NOTE

This bill seeks to convert the Marcos Alvarez Road found in Las Piñas City into a national road.

The Marcos Alvarez Road, which approximately measures 3.4 kilometers and navigates Barangay Talon 1 and Talon 2 in Las Piñas City, strategically connects Las Piñas to its neighboring municipality of Bacoor of the Province of Cavite. With the use of this road, commerce among the residents and business enterprises of Las Piñas City and the Province of Cavite are facilitated thereby contributing to the development and progress of the LGUs concerned. Likewise, the availability of the Marcos Alvarez Road aids in decongesting the traffic of vehicles traversing the Alabang-Zapote Road which is the major thoroughfare in Las Piñas City, as well as the nearby main roads in Bacoor, Cavite. Needless to say, the presence of Marcos Alvarez Road helps in making prompt and efficient the delivery of basic social services to the people of Las Piñas City and the Province of Cavite.

Considering the foregoing, it is very important that the Marcos Alvarez Road be maintained in good and serviceable condition for it to be able to meet its strategic role. Upholding this objective, however, does not come easy if the maintenance and repair of the subject road will be shouldered by the LGU of Las Piñas City given its meager resources vis-à-vis the large amount needed for the public works required. On the other hand, with the conversion of the Marcos Alvarez Road into a national road, the Department of Public Works and Highways could appropriately and promptly address the necessary maintenance, improvement and repair of the said road.

It is for these reasons that the immediate passage of this bill is earnestly sought.
