

Republic of the Philippines
HOUSE OF REPRESENTATIVES

THIRTEENTH CONGRESS

Third Regular Session

HOUSE BILL NO. 5968

Introduced by HON. DANTON Q. BUESER

EXPLANATORY NOTE

This bill seeks the establishment of national agricultural high school in the City of San Pablo, Province of Laguna, to be known as the San Pablo City National Agricultural High School.

The City of San Pablo is a major city not only in the Third District of Laguna. The district, being a primarily agricultural area, has a continuously growing number of students whose passion for and interest in agricultural science have not been afforded appropriate attention and maximized due to the lack of a public agricultural high school that offers a curriculum that lays particular emphasis to agriculture-related subjects and modules.

The establishment of a national agricultural high school in the city will cater not only to students coming from the city, but also to a significant number of students coming from neighboring towns not only in the Third District of Laguna, but also in the other districts of the province.

In view of the foregoing, the passage of this bill is most earnestly sought.
