DIOSDADO MACAPAGAL ARROYO and GLORIA MACAPAGAL ARROYO

AN ACT
PROVIDING FOR THE ESTABLISHMENT OF A PUBLIC LIBRARY FOR
EVERY BARANGAY AND APPROPRIATING FUNDS THEREFOR

EXPLANATORY NOTE

The Constitution, Article XIV, Section 1, states that:

Section 1. The State shall protect and promote the right of all citizens to quality education at all levels, and shall take appropriate steps to make such education accessible to all;

The Constitution, Article XIV, Section 2, paragraph 4, further states that:

Section 2. The State shall:

(4) Encourage non-formal, informal, and indigenous learning systems, as well as self-learning, independent, and out-of-school study programs particularly those that respond to community needs;

In order to substantiate the ideals of these particular sections of the Constitution, Congress passed Republic Act No. 7743, "An Act Providing for the Establishment of Congressional, City and Municipal Libraries and Barangay Reading Centers Throughout the Philippines, Appropriating the Necessary Funds Therefor and for Other Purposes".

R. A. No. 7743, Section 2, provides that:

Section 2. Establishment of Public Libraries and Reading Centers.

– The National Library in coordination with the Department of the Interior and Local Government (DILG) shall undertake the establishment of additional public libraries to serve all congressional districts cities and municipalities in the Philippines and reading centers in every barangay except in cities or municipalities where there are existing public libraries or in barangays where there are existing reading centers: *Provided*, That the establishment of such libraries and reading centers shall be based on the development program of the National Library, in coordination with the development council of each city or municipality and in the case of the barangay reading centers in coordination with the respective barangay councils: *Provided further*, That where these public libraries and reading centers already exist the National Library shall continue to upgrade the facilities thereof.

While R.A. 7743, in particular Section 2, paved the way for quality education to be accessible to cities and municipalities through public libraries; and barangays through reading centers, new innovative breakthroughs in knowledge and information must be fully utilized for constituents especially at the most basic unit of Philippine society which is the barangay.

It is therefore necessary to pass this proposed measure that will require the establishment of one (1) public library for every barangay to ensure that ready access to a wide array of information necessary for quality education to make its way to the people at the barangay level.

In view of the foregoing, the immediate enactment of this bill is most earnestly requested.
