First Regular Session

House Bill No. 1738

INTRODUCED BY HON. MARCELINO "MARCY" R. TEODORO

EXPLANATORY NOTE

Advances in technology and the trends in global economy demands special learning that would keep the country's workforce competitive and successful, hence, local public educational institutions should provide centers for this kind of learning and educational opportunity for everyone.

Surely, there is a real and urgent need for public schools, primarily in rural and urban areas, to collaborate with other public and non-profit entities, local businesses, education organizations, and recreational and cultural groups for the purpose of meeting the needs of, and expanding the opportunities available to the residents of the communities within the territorial jurisdiction of such schools.

Specifically, this measure hopes to establish 21st Century Learning Centers to allow communities to develop educational strategies that will properly address the educational needs of all their members.

In view of the foregoing, passage of this bill is earnestly sought.
