FIFTEENTH CONGRESS

First Regular Session

House Bill No. **2092**

Introduced by **Hon. Mark Aeron H. Sambar**

EXPLANATORY NOTE

The Constitution, Article 14, Section 19 provides:

SEC. 19. (1) The State shall promote physical education and encourage sports programs, league competitions, and amateur sports, including training for international competitions, to foster self-discipline, teamwork, and excellence for the development of a healthy and alert citizenry.

(2) All educational institutions shall undertake regular sports activities throughout the country in cooperation with athletic clubs and other sectors.

Active participation in sports teaches our youth values such as teamwork, handling challenges, and overcoming obstacles. Sports keep the mind mentally and physically fit. Learning institutions should inform prospective students of their athletic programs in order for prospective students to make an informed judgment of whether to enroll in the school or not. Hence, this bill will require institution of higher education to disclose participation and program support expenditures in college athletic programs.

In view of the foregoing circumstances, approval of this bill is urgently requested.
