House Bill No. **2458**

Introduced by **Hon. Nelson L. Dayanghirang**

EXPLANATORY NOTE

The attached Bill seeks to provide incentives to Barangay Officials, including Barangay Tanods and Members of the Lupong Tagapamayapa and Barangay employees.

Compared to other government employees in local government units, Barangay officials and Barangay employees are the lowest paid and the least benefited in terms of government employment benefits and privileges. And yet our Barangay officials are the frontliners, so to speak, the government workers who make democracy work at the grassroots level. They have a job to do under existing law and, as a general rule, they strive to do their job well, particularly in the area of peace and order and community relations, despite the limited resources made available to them.

Foremost of the benefits granted the Barangay officials and Barangay employees is the exemption from income tax of their salaries wages, compensation, remuneration and other emoluments, such as honoraria and allowances, including any benefits that they may receive from government on account of their work or employment. Added to this are some equally important benefits: (a) coverage under the Government Service Insurance System; (b) coverage under existing medical and health service programs of government under existing laws; and (c) free legal representation in the event that any Barangay official or employee is involved as party litigant in any administrative or criminal case as a result of or connected with the performance of his official duties.

In sum, the proposed legislation, in a sense, seeks to give due recognition to the important job being performed by these grassroots workers and to acknowledge the important role being played by the smallest territorial unit and political subdivision of government called the Barangay.

In view of the foregoing, approval of the Bill is earnestly requested.
