

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

FIFTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 2807

Introduced by Honorable Winston "Winnie" T. Castelo

EXPLANATORY NOTE

This serves as a counterpart measure to Sen. Jinggoy Estrada's Senate Bill No. 610 filed in this 15th Congress inasmuch as the views expressed therein are worth subscribing to.

Indeed, clear enough in our declared State policies are the focus and attention that should be given to indigent children as contained in Section 3 (2) of Article XV of the Constitution as well as echoed in Article 3 (4) of Presidential Decree No. 603 or the Child Welfare Code.

With this House bill, it opens new hope since it makes it mandatory for all government and private hospitals, medical centers, clinics, infirmaries, and puericulture centers to give free medical and dental assistance to indigent children in danger of dying or may have suffered physical injuries requiring immediate medical attention.

For income tax purposes, these incurred expenses or losses for the medicines, facilities or services extended for the care and treatment of indigent children by said private hospital, medical center, clinic, infirmary or puericulture center shall be deductible expenses/losses.

The rights of the child take paramount consideration, hence the immediate passage of this bill is earnestly prayed for.
