HOUSE BILL NO. 2979

Introduced by **REP. SALVADOR H. ESCUDERO III**

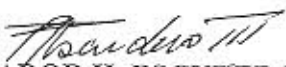

EXPLANATORY NOTE

This bill absolutely decriminalizes the crime of libel as defined and penalized in Article 355 of the Revised Penal Code.

The rationale for this proposal is to accord greater protection to freedom of speech and expression specifically those done by means of writing and other similar means by taking away the threat or fear of incarceration, restraint of liberty and even fine.

It is likewise submitted that a strong print media could give great service to the Filipino people in providing an effective mechanism of complete and fearless transparency over the excesses of government in the exercise of its powers and prerogatives.

Immediate passage of this bill is thus earnestly sought.
