HOUSE BILL NO. 3018

Introduced by **REP. SALVADOR H. ESCUDERO III**

EXPLANATORY NOTE

This bill seeks to provide for the disqualification of any person who has been defeated in three (3) consecutive elections for the same public office from running for the same office in the next local or national election.

Section 68 of Batas Pambansa Blg. 881, otherwise known as the *Omnibus Election Code*, provides for the disqualification of any of the following persons in filing their certificate of candidacy: a) those declared as incompetent or insane by competent authority; b) those sentenced by final judgment for subversion, insurrection, rebellion or any offense for which he has been sentenced to a penalty of more than 18 months imprisonment; c) those sentenced by final judgment for a crime involving moral turpitude; and d) those immigrants to a foreign country. Thus, any person who possesses the minimum qualifications and none of the above-cited disqualifications may run for public office.

This bill seeks to provide additional disqualification by not allowing a person who has been defeated for three consecutive elections from running again for the same public office. To lose in three consecutive elections is a clear proof of the people's repudiation of the candidate who intends to occupy the position. It would therefore be a waste of time and public resources to include in the ballot for a fourth consecutive time the name of a candidate who had already been clearly repudiated three times by the electorate.

In view of the foregoing, approval of this bill is highly recommended.
