FIFTEENTH CONGRESS
First Regular Session

House Bill NO. 3185

Introduced by HON. LINABELLE RUTH R. VILLARICA
4TH DISTRICT, BULACAN

EXPLANATORY NOTE

As community leaders and pro-active participants in governance and public service, frontliners in the preservation of peace and order, as well as arbiters in civil and criminal disputes, the punong barangays should be reasonably compensated to encourage them to better perform their legally mandated duties and responsibilities, even better in the service of country and people.

Presently, however, Republic Act NO. 8291, otherwise known as An Act Amending P.D. NO. 1146, as amended, Expanding and Increasing Reforms therein and for other purposes, otherwise known as the "Government Service Insurance Act of 1997" is inadequate in terms of defraying the rising cost of medical, death and burial expenses to punong barangays.

This bill addresses this concern by providing for additional insurance benefits to barangay captains on top of what they are currently receiving under the GSIS law, in recognition for their contribution to the barangay and the larger community where they are assigned.

Support for the enactment of this measure is earnestly requested.
