

REPUBLIC OF THE PHILIPPINES
HOUSE OF REPRESENTATIVES
Quezon City, Manila

FIFTEENTH CONGRESS
FIRST REGULAR SESSION

House Bill No. **3354**

Introduced by Representative Anthony Rolando T. Golez, Jr

EXPLANATORY NOTE

Local Government Code Section 384 states: "Role of the Barangays. - As the basic political unit, the barangay serves as the primary political unit, the barangay serves as the primary planning and implementing unit of the government policies, plans, programs, projects and activities in the community, and as forum wherein the collective views of the people may be expressed, crystallized and considered, and where disputes may be amicably settled.

Barangay Officials are considered to be the guardians and frontliners in the implementation of policies, plans, programs, projects and activities in the community. The Barangay Chairman is the only official in the country that performs a tripartite task of being the judiciary, legislative and executive, notwithstanding the help of their Kagawads. The Barangay Health Workers are considered as the work horses of the Department of Health in its implementation of its policies and programs. The Barangay Tanods are considered to be the frontliners of the Philippine National Police in its campaign against criminalities while our Lupong Tagapamayapa act as counsel of barangay, which have a goal to settle all issues between and among residents of the community.

They receive only allowances and honoraria, which are not commensurate to the performance of their obligations. In view thereof, it is only appropriate to raise their salaries and extend more benefits.

Thus, approval of this bill is earnestly sought.
