House Bill No. _____

Introduced by Honorable RODOLFO G. VALENCIA

EXPLANATORY NOTE

This bill seeks to establish a magna carta for barangays. As the basic political unit, the barangay serves as the primary planning and implementing unit of government programs, projects and activities. It is also the forum in which the collective views of the people in the community may be crystallized and considered. The Barangay also serves as the basic training ground for future leaders of the nation.

Due to the important role of barangays, it is just appropriate that measures be adopted to promote their welfare and prosperity.

This Legislative measure proposes the following:

1. That barangay officials be considered as regular government employees with fixed salaries, allowances, insurance, medical and dental coverage, retirement benefits and other fringe benefits to which regular government employee is entitle.
2. Basic priorities such as regular supply of clean and potable water, public transportation, schools, health centers and Barangay halls, should be provided every barangay.

The approval of this is earnestly urged.
