Fifteenth Congress
1ST Regular Session

HOUSE BILL NO. 4798

Introduced by:

HON. FRANCISCO T. MATUGAS

1ST District, Surigao del Norte (*Siargao Island*)

EXPLANATORY NOTE

This bill seeks the amendment of Section 461 (b) of the Local Government Code of 1991 ("the Code") by adding a proviso on the land area requirement on the creation of a province.

Sections 442 (b) and 450 (b) of the Code explicitly provides as one of the requisites for the creation of a municipality and city respectively thus: "x x x. The requirement on land area shall not apply where the municipality [city] proposed to be created is composed of one (1) or more islands. x x x."

While this is so unequivocally provided in the aforementioned Sections, the same is conspicuously missing in Section 461 of the Code or the section providing for the creation of a province.

This bill in effect will even out this seeming anomaly in the law by adding exactly the same provision that applies to the creation of a municipality or a city to that on the creation of a province.

I view of the above-stated; approval of this bill is earnestly recommended.

FRANCISCO T. MATUGAS
