FIFTEENTH CONGRESS  
Second Regular Session

HOUSE BILL NO. 5963

---

Introduced by **Hon. GABRIEL LUIS R. QUISUMBING**

---

**EXPLANATORY NOTE**

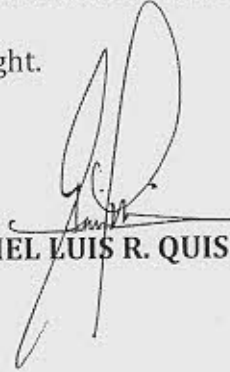

Suffrage is the lifeblood of a democracy. The Constitution, Article 5, Section 1 provides:

Suffrage may be exercised by all citizens of the Philippines not otherwise disqualified by law, who are at least eighteen years of age, and who shall have resided in the Philippines for at least one year and in the place where they propose to vote for at six months immediately preceding the election. No literacy, property, or other substantive requirement shall be imposed on the exercise of suffrage.

During the national elections last 2010, news programs showed footage of senior citizens leaving polling centers because their physical conditions cannot endure the long lines and lengthy procedure they have to undergo in order to cast their votes. Hence, these senior citizens were deprived of the opportunity to exercise the very basic right of suffrage.

Accordingly, in this legislation, the author seeks to provide for early voting of senior citizens in the Philippines for the National and Local Elections.

Hence the passage of this bill is earnestly sought.
