

Republic of the Philippines
HOUSE OF REPRESENTATIVES

FIFTEENTH CONGRESS
Second Regular Session

HOUSE BILL NO. 6177

Introduced by REP. ANTHONY G. DEL ROSARIO

EXPLANATORY NOTE

Section 11, Article XIII of the Constitution provides that *"The State shall adopt an integrated and comprehensive approach to health development which shall endeavor to make essential goods, health and other social services available to all the people at affordable cost."*

Despite this Constitutional mandate, barangay health workers (BHWs) receive meager allowances while braving remote barangays, traversing inaccessible roads and even sea routes to discharge their tasks of bringing health care services to areas where urban-trained doctors cannot reach.

In cognizance of the valuable contribution of barangay health workers to community health development and for living the very essence of selfless service in bringing about health and well-being to our nation, this bill seeks to provide additional benefits to BHWs. These include compulsory coverage under the Philippine Health Insurance Corporation (PHILHEALTH) and the Government Service Insurance System (GSIS) thereby expanding and increasing the benefits they are currently receiving.

In view of the foregoing, passage of this bill is earnestly sought.
