

FIFTEENTH CONGRESS OF THE)
REPUBLIC OF THE PHILIPPINES)
Second Regular Session)

HOUSE of REPRESENTATIVES
House Bill No. **6191**

Introduced by: MA. THERESA B. BONOAN-DAVID
4th District, City of Manila

EXPLANATORY NOTE

The 1987 Constitution provides, among others that "*the State shall adopt an integrated and comprehensive approach to health development which shall endeavor to make essential goods, health and other social services available to all people at affordable cost.*"

Drugstores are normally non-existent in barangays outside of the town proper and most of our people in the countryside are deprived of access even to basic drugs and medicines when they are in need.

This bill, by institutionalizing the Botica sa Barangay Program, should provide the answer to this basic need of our people in the countryside. Within a period of three (3) years, the Department of Health is enjoined to establish drugstores in every barangay so as to make available drugs and medicines for common illnesses such as fever, pain, cough/colds, and others, including vitamin and mineral preparations.

Eventually, the list of drugs could be expanded to better respond to the needs of every barangay and community in the country.

In view of the foregoing, the passage of this bill is earnestly sought.
