HOUSE BILL NO. 6291

Introduced by Hon. BERNARDO M. VERGARA

EXPLANATORY NOTE

This bill seeks to convert Gregorio del Pilar Road in Baguio City into a National Road. It traverses National Roads and consists of 0.060 kilometers. Upon conversion, the road shall be placed under the supervision of the Department of Public Works and Highways (DPWH).

Roads provide conveyance and help spur growth and development, making it possible for the people to strive for and earn progressive gains. From roads we achieve mobility and movement from place to place, facilitating the flow of economic activity.

Converting this road in Baguio City from City to National Road level will be a tremendous boost in the effort to upgrade instruments of conveyance for the fruits of progress within the country's Summer Capital. As a tourist and educational center, Baguio will be able to apportion road development resources for equally pressing concerns, making it possible for the people to share equitably in the city's continued growth.

Approval of this bill is earnestly sought.
