Fifteenth Congress

Third Regular Session

House Bill No. 6422

Introduced by Representative Pedro B. Acharon, Jr.

EXPLANATORY NOTE

This bill seeks to separate **Landan National High School** (Upper Klinan National High School Annex) UKNHS Annex, in Barangay Landan, Polomolok, South Cotabato from Upper Klinan National High School, converting it into an independent national high school, to be known as the Landan National High School.

Barangay Landan has a population of almost Six thousand and it covers fifteen (15) puroks with a total land area of more or less ten thousand hectares. Majority of the residents earn a living through farming, some are employed with the multi-million company, the Dole Philippines and some are with the cooperatives which are operating within the barangay.

Since Landan is almost ten (10) kilometers away from the nearest public secondary school, the residents find it difficult to send their children to school.

Landan National High School (UKNHS Annex) has been operating for almost seven (7) years now and since its operation, it has been duly noted that the enrollees gradually increase every year.

The Sangguniang Bayan of Polomolok, South Cotabato as well as the residents of Barangay Landan, sixty percent of whom are Indigenous Peoples, clamor for the approval of this bill to assure better administration of Landan National High School and to cope up with the ever increasing number of students. The separation will also ensure a better-funded, better managed and independently – operated national high school.

The approval of this bill is earnestly requested.
