HOUSE BILL NO. 6483

Introduced by Rep. Winston "Winnie" Castelo

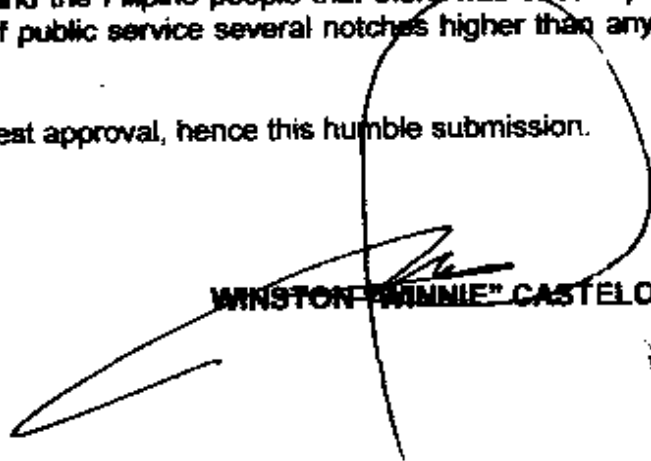

EXPLANATORY NOTE

The multi-storey building that will house the Department of Interior and Local Government and National Police Commission in Quezon City has been constructed under the watch of the late Secretary Jesse Robredo of the Department of Interior and Local Government.

It is only fitting and proper that once completed, this 30-storey tower built as a DILG/National Police Commission office building shall be named after the icon, advocate, and champion of good governance in this country.

This proposed "Secretary Jesse Robredo Building" shall serve as a tangible edifice that will remind officialdom and the Filipino people that there was once a public official who had raised the quality of public service several notches higher than anyone across time.

This proposed bill merits widest approval, hence this humble submission.
