

FIFTEENTH CONGRESS
REPUBLIC OF THE PHILIPPINES
THIRD REGULAR SESSION

HOUSE OF REPRESENTATIVES

House Bill No. 6533

EXPLANATORY NOTE

Bayanga National High School was established in 2003 as an Annex School of Mambuaya National High School in Cagayan de Oro City. It was established as an annex school for the main reason that it was not, at that time, able to comply with the requirement of the Department of Education to have at least one hectare of property that will serve as the site of the school.

Since then, the school has performed excellently in both academic and non-academic competitions even in the national level. Also, in the 2010 National Achievement Test, it ranked first among all schools in the 1st District of Cagayan de Oro City.

Further, the Bayanga National High School has also already acquired a 17, 086 square meter parcel of land to serve as its permanent school site.

There has also been an increase in the number of high school enrollees in the school which has resulted in the Bayanga National High School not being able to completely address the needs of its students, more so because of it being an Annex School.

In view of the foregoing, approval of this bill is earnestly sought.
