Second Regular Session

HOUSE BILL 6568

Introduced by REP. ELEANOR C. BULUT-BEGTANG

EXPLANATORY NOTE

Quality and accessible education is a cornerstone in the development of a productive, effective and skilled human resource. Such is paramount to the attainment of genuine development especially for newly-created and developing provinces such as the Province of Apayao.

With the end goal of improving access to quality basic education for the growing population of Apayao, the provincial leadership has been exerting aggressive efforts towards the establishment of learning institutions in strategic communities in the different municipalities.

In line with such efforts is what this bill seeks---the conversion of the **Kabugao Agro-industrial High School-Lenneng Annex (KAIHS-Lenneng)** at Brgy. Lenneng, Municipality of Kabugao, Province of Apayao into an independent national high school. The KAIHS-Lenneng Annex was established as an extension school of the Kabugao Agro-industrial High School at Brgy. Luttuacan in SY 2010-2011 with an initial enrollment of fifty two (52) first year students. Now on its 3rd year of operation and an enrollment of two hundred six (206) students from 1st-4th year, the annex school has given better access and opportunity for secondary education to the elementary graduates of the two (2) elementary schools at Brgy. Lenneng.

With the conversion of KAIHS-Lenneng Annex into an independent national high school, it is ensured that the institution is able to undertake improvements and programs responsive to the specific needs of its studentry.

In consideration of the above, the approval of this bill is earnestly sought.
