FIFTEENTH CONGRESS
Second Regular Session

HOUSE BILL No. 6163

Introduced by
HON. BERNARDO M. VERGARA

EXPLANATORY NOTE

This bill seeks to separate and convert the Dona Aurora High School Annex of the Baguio City National High School into the Dona Aurora National High School to operate in its present school site in Aurora Hill, Baguio City.

Government is mandated to provide accessibility for education to every citizen at the barangay level. This mandate acquires preferential attention for basic education, as constitutionally provided and supported by national policy.

Separating and converting the Dona Aurora High School Annex of the BCNHS into an independent National High School is a step towards the desired direction of educational accessibility for every citizen. On its own, this high school annex has the institutional competence to operate and administer its own academic functions, including the responsibility of envisioning and fulfilling development activities to foster institutional growth within its present school site still conducive to facility expansion.

As a National High School, this institution will be capable enough to address development concerns and fulfill its own academic obligations without having to compete with other mother unit-supervised high school annexes. At the same time, a nationalized high school will serve to de-congest classroom sizes presently obtaining in the main campus, while allowing young constituents in the Aurora Hill area --- consisting of 13 barangays --- high school education within their midst. It will further promote closer administration and supervision of the school's academic, cultural, sports, and other school-related responsibilities. Freed from the control and supervision of a mother unit, this school can capably run its own affairs, manage its own budget in a focused manner befitting an institution well on its own to grow.

Approval of this bill is enjoined.
