AN ACT
AMENDING THE REVISED PENAL CODE PENALIZING THE ROBBERY OF
CEMETERY ARTICLES

EXPLANATORY NOTE

The desecration of our dearly departed comes in many forms. One form is grave robbery which has always been a perennial problem especially in a culture as rich as ours. In Philippine society, we have always paid our respects to our dead. More often than not, we adorn many gifts in their final resting places or provide them with sprawling mausoleums to commemorate their lives.

As we eagerly anticipate the time for remembering those who preceded us, there are unfortunate incidents where we find that the final resting place of our loved ones have been desecrated by grave robbers. The damage done goes beyond the measurable as it dishonors the deceased and causes anguish to those who survived them. This type of theft must be severely addressed.

It is the humble intent of this bill to create a separate act of robbery under the Revised Penal Code for the robbery of cemetery items or the ones committed in cemeteries, graveyards or burial grounds.

We therefore enjoin our colleagues to ensure the swift passage of this bill into law.
