Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

FIFTEENTH CONGRESS
Third Regular Session

HOUSE BILL NO. 6623

Introduced by Rep. Winston "Winnie" Castelo

EXPLANATORY NOTE

The role and significance of governance at the local government level cannot be underestimated. By and large, the affairs of the national government cascade to these local government structures in ways that make government action, if they were to be effective, to be immediate, responsive and a prompt solution to the multifarious concerns and problems that affect the barangays and their constituents.

It is in this context that this bill is being proposed. It would seem that a three-year term for Barangay officials is far too short for our local leaders to hit the ground running in terms of their value, role, and impact upon that smaller political unit of society. It is so because the supposedly third year of that people's mandate has become devoted to actions or inactions preparatory to the subsequent Barangay elections.

It cannot be gainsaid that plans, projects, programs, and various other activities implemented at the local level do have a gestation period of implementation and altruistically, the grant of a 3-year mandate is deemed too limited to get all these local government undertakings from being properly implemented and for them to spill down to their rightful beneficiaries.

It is this that this bill seeks to address, hence this submission.
