FIFTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 6642

INTRODUCED BY REP. MAXIMO B. DALOG

EXPLANATORY NOTE

Section 1, Article XIV of the 1987 Constitution provides that the state shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make education accessible to all. Section 2 (2) of the same Article, likewise mandates the State to establish and maintain a system of free education in the elementary and high school levels.

Mountain Province is among the least privileged areas and still one among the poorest provinces in the country today. Considering the role of education in spurring development, the establishment of a national high school especially in far flung barangays will definitely contribute to the overall development of not only the residents and the area concerned but also the province as a whole. Enactment of this measure will definitely help liberate the residents of the barangay Mabalite, Tadian, Mountain Province and the neighboring barangays from the shackles of poverty and ignorance by catering to their educational needs.

In view of the foregoing consideration, approval of this earnestly urged.
