FIFTEENTH CONGRESS

House Bill No. 1935

Introduced by Hon. Yevgeny Vincente B. Emano

EXPLANATORY NOTE

This bill seeks the creation of a new barangay to be known as Barangay Poblacion 2 in the municipality of Villanueva, Misamis Oriental, to be composed of Puroks Mutya and Soligao, Poblacion, forming parts of Barangay Poblacion.

Puroks Mutya and Soligao, Poblacion have a total land area of 657,692 square meters and constitute a significant percentage of the total population of Barangay Poblacion. Because of the looming population in Barangay Poblacion proper, the constituents in the proposed barangay are often deprived of the equitable opportunity to avail of basic services from the Sangguniang Barangay. Moreover, the proposed barangay has viable socio and economic amenities that could enable socio-economic growth as well as development within.

It is for these reasons that the people in the concerned puroks are clamoring for the creation of this barangay to be formed out of the present jurisdiction of Barangay Poblacion.

Considering the benefits of the creation of this barangay to the people concerned, approval of this bill is earnestly requested.

I. CALL TO ORDER / ROLL CALL

The Chairperson, Rep. George P. Arnaiz, called the meeting to order at 2:32 p.m. On motion of Deputy Speaker Lorenzo R. Tanada, duly seconded, the Body dispensed with the calling of the Roll.

II. APPROVAL OF THE MINUTES OF THE MEETING OF THE MARCH 14, 2012 MEETING

On motion of Deputy Speaker Tanada, duly seconded, the Body dispensed with the reading of the minutes of the meeting held on March 14, 2012 and approved the same.

III. DELIBERATION AND APPROVAL ON HOUSE BILL NO. 1935 - "AN ACT CREATING A BARANGAY TO BE KNOWN AS BARANGAY POBLACION 2 IN THE MUNICIPALITY OF VILLANUEVA, PROVINCE OF MISAMIS ORIENTAL"- introduced by REP. YEVGENY VICENTE B. EMANO

Rep. Florencio C. Garay informed the Body that Rep. Yevgeny Vicente B. Emano requested him to sponsor the bill in his behalf. Thereafter, the Chair recognized Rep. Garay to sponsor House Bill No. 1935.

Rep. Garay stated that the bill seeks to create a new barangay to be known as Barangay Poblacion in the Municipality of Villanueva, Misamis Oriental to be composed of Purok Mutya and Soligao, Poblacion forming parts of Barangay Poblacion.

He further stated that Purok Mutya and Soligao, Poblacion have a total land area of 657,692 square meters and constitute a significant percentage of the total population of Barangay Poblacion. Because of the looming population in Barangay Poblacion proper, he said, the constituents in the proposed barangay are often deprived of the equitable opportunity to avail of basic services from the Sangguniang Barangay. He further said the proposed barangay has viable socio and economic amenities that could enable socio-economic growth as well as development within.

Rep. Garay replied in the affirmative to the query of the Chair whether a plebiscite had already been conducted. The Chair explained that there was a need to amend Section 3 and Section 7 of the bill. The Chair stated that the plebiscite earlier conducted will be considered as a substantial compliance to the plebiscite requirement. The Chair informed the Body that the Secretariat already prepared an amendatory provision and requested that a Member of the Committee sponsor the proposed amendatory provision. The Chair then read the proposed amendment, to wit, "SECTION 2. THE PLEBISCITE CONDUCTED AND SUPERVISED BY THE COMMISSION ON ELECTIONS PURSUANT TO PROVINCIAL ORDINANCE NO. 914-2006 OF THE SANGGUNIANG PANLALAWIGAN OF THE PROVINCE OF MISAMIS ORIENTAL IN BARANGAY POBLACION WHICH RATIFIED THE CREATION OF BARANGAY POBLACION 2 AS PROCLAIMED BY THE BOARD OF CANVASSERS SHALL SERVE AS A SUBSTANTIAL COMPLIANCE WITH THE PLEBISCITE REQUIREMENT UNDER SECTION 10 OF REPUBLIC ACT NO. 7160 OTHERWISE KNOWN AS THE LOCAL GOVERNMENT CODE OF 1991, AS AMENDED". Upon motion of Rep. Sarmiento, duly seconded, the Chair approved the amendatory provision to be inserted in Section 3 of House Bill No. 1935.

Rep. Sarmiento also moved for the deletion of Section 7 of the bill. The Chair hearing no objection approved the motion of Rep. Sarmiento.

Thereafter, on motion of Rep. Mel Senen S. Sarmiento, duly seconded, the Body approved House Bill No. 1935.

IV. DELIBERATION AND APPROVAL ON HOUSE BILL NO. 4642 – “ AN ACT CREATING BARANGAY GUMAWAS IN THE CITY OF BISLIG, PROVINCE OF SURIGAO DEL SUR”, introduced by REP. FLORENCIO C. GARAY

Rep. Florencio C. Garay moved that the Explanatory Note of the bill be considered as his sponsorship speech. He said that the bill seeks to rectify the omission with the creation of Barangay Gumawas in the City of Bislig, Province of Surigao del Sur as an independent government entity created pursuant to Section 385 of the Local Government Code of 1991, thereby entitling Barangay Gumawas to Internal Revenue Allotment (IRA) shares generally allocated to barangays under the law.

Rep. Garay moved that the proper amendatory provision be effected under Sections 2 and 6 of House Bill No. 4642 as similar to the amendments introduced to House Bill No. 1935 as earlier approved by the Body. The Chair hearing no objection, approved the motion.

Thereafter, on motion, duly seconded, the Body approved House Bill No. 4642.

V. DELIBERATION ON HOUSE BILL NO. 3839 – “ AN ACT CREATING THE PROVINCE OF QUEZON DEL SUR”, introduced by DEPUTY SPEAKER LORENZO R. TAÑADA, REPRESENTATIVES IRVIN M. ALCALA AND DANILO E. SUAREZ

Deputy Speaker Lorenzo R. Tanada expressed his gratitude to the Chair for deliberating the bill. He likewise expressed his gratitude to Reps. Danilo E. Suarez, Wilfrido Mark M. Enverga, mayors and councillors who were present in the meeting to give thoughts on the bill.

He recalled that in the 13th Congress, he filed a similar bill together with Rep. Suarez and the late Rep. Raffy P. Nantes. The bill, he said, was enacted into law and unfortunately lost in the plebiscite. He enumerated the breakdown of the votes to wit; 1st District, 24,092 voted for yes; 63,000 voted for no. In the 2nd District, 30,000 voted for yes; 62,000 voted for no more or less. In the 3rd District 52,310 voted for yes; 48,530 voted for no. And in the 4th District 51,162 voted for yes and 38,839 voted for no. He said that Districts 1 and 2 which will comprise Quezon Del Norte were not in favour of the division of Quezon, while Districts 3 and 4 were in favour. He further said that in the totality of the votes, the total number of votes in favour was 157,620 which comprise 43 percent of the total number of votes while those not in favor totalled 205,611 which comprised 57 percent of the total number of votes. He stated that the votes were close and breaking it down on north and south, it is really the sentiment of the people from South Quezon to have a province created.

He enumerated the reasons why he filed the bill, to wit;

1. Bigger hope for better governance. Quezon is one of the biggest province in the Philippines. Unfortunately, despite it's rich resources, the Province of Quezon remains in the list of the poorest provinces in the country. Instead of being an advantage, the vast land area and the steady increase in population became a huge deterrence in the delivery of government services;
2. The combined IRA of Quezon del Norte and Quezon del Sur will be higher than the IRA of the present Quezon Province. Quezon del Surs's IRA for 2010 would be 755.43 million pesos while Quezon del Norte's IRA would amount to 890.5 million pesos or a total of 1.64 billion pesos;
3. Quezon del Sur will have it's own IRA, the people will have more access to government services;
4. The Province of Quezon del Sur may plan for it's own development and may independently ask for funding support from the government and from private sectors.
5. The development of the entire Province of Quezon maybe attained faster.

Rep. Danilo E. Suarez recalled that the late President Manuel Quezon made it practically sure that he has a big bastion of land mass that Quezon includes all the way up to the boundaries of Cagayan in Isabela Province which includes Aurora and farther south even Marinduque used to be part of the Province of Quezon. He said that he thought that the thinking of President Quezon was to make sure that he has a big land mass which would influence other provinces as well.

He said that people asked him why he is for the division of the province now that his son is the incumbent governor. He replied that it will be a disservice to the province if they are not going to come up with an effort of dividing the province. He stated that the division of the province will be for better governance that would be advantageous for both provinces. He further stated that he co-authored the bill again hoping that the province can better understand the situation and better explain to their constituents the pros and cons of the measure.

The Chair directed the Committee Secretary to read the guests list that the Committee invited for purposes of discussing House Bill No. 3839. The Committee Secretary, Mr. Luth Myr P. Teoxon, read the names of the guests present, to ;

1. Hon. Erwin Caralian, Mayor, Gumaca, Quezon
2. Hon. Isias Ubana II, Mayor, Lopez, Quezon
3. Hon. Leonchito Gapasangra, Vice-Mayor, Mauban, Quezon
4. Mr. Raul Ludovice, Statistician IV, Census Planning Division, National Statistics Office (NSO)

5. Mrs. Consolacion Q. Agcaoili, Division Chief, Local Treasury Operations Division, Bureau of Local Finance, Department of Finance
6. Mr. Jesse Alcaraz, representative, League of Provinces of the Philippines

Mr. Teoxon stated that the Secretariat invited to the meeting the Governor, Vice-Governor and all Mayors and Vice-Mayors of the Province of Quezon.

The Chair inquired on the sentiment of the Governor. Rep. Suarez stated that they share the same sentiments. He said that they feel the division of the province must be done.

The Chair informed the Body that the new Province of Quezon del Sur has a population of 850,291 based on the 2010 Census, an income of P 245,314,696.54 pesos and a land area 4,177.35 square kilometers. The old province or the mother province will have a population of 1,136,739, income of P 359,958,795.00 pesos and a land area of 4,663.56 square kilometers. The Chair then asked the representatives of the Bureau of Local Government Finance and the National Statistics Office if the figures are correct. Ms. Consolacion Q. Agcaoili, Division Chief, Local Treasury Operations Division, Bureau of Local Government Finance, Department of Finance and Mr. Raul Ludovice, Statistician IV, Census Planning Division, National Statistics Office (NSO) attested to the figures of the Chair.

Mr. Dominador Villena, former Mayor, Padre Burgos, Quezon, supported the bill. He said that it is better to micro manage the Province of Quezon. He further said that it would be good if the province will have two governors.

Rep. Wilfrido Mark M. Enverga opposed the bill and raised the following points, to wit;

1. He and his father, a former governor, rejected the proposition because they believe that the resources of the province would not be enough in case the province would be divided;
2. Dividing the province would not be a right decision because financially speaking it does not make sense;
3. The research of Local Government Development Foundation of the Department of Interior and Local Government in partnership with the Konrad Adenauer Stiftung Foundation found out that dividing provinces will lead to the creation of weaker provincial governments;
4. This is not purely an issue of dividing the province but also an issue of management.

The Chair inquired how much is the IRA of the Province of Quezon. Rep. Suarez replied that the province has an IRA of 1.5 billion pesos. Hon. Isaias Ubana, Mayor, Lopez, Quezon, expressed his gratitude to the Body and to Deputy Speaker Tanada for inviting him to the meeting. He stated that in the last plebiscite, he took the negative position. However, he said that after seeing the light he now subscribed to the position of the Deputy Speaker. He registered his reservation to the selection of the Municipality of Gumaca as the capital of the new Province of Quezon del Sur.

Rep. Suarez, recalled that in 1735 the Municipality of Unisan was the capital of the province. He suggested to just re-enact history and make the Municipality of Unisan as the capital of the new province.

Hon. Erwin P. Caralian, Mayor, Gumaca, Quezon, suggested that the Municipality of Gumaca should be made the province capital because his town is the crossroad between the Bondoc Peninsula and the Bicol Region.

Deputy Speaker Tanada explained that a decision has to be made to make the Kapitolyo of Quezon del Sur closer to the 1st and 2nd Legislative Districts. On the argument of spending to build a new capitol, he said that it is a necessary fact that will not remain forever. He said that it is only a one time expense and that it can even be programmed so that the expense in such a way would not be a shock to anyone. He stressed that the challenge now is how to move beyond being an agricultural province.

Rep. Suarez moved that in the next meeting the Committee invite the mayors from the 1st and 2nd Legislative Districts and the Members of the Sangguniang Panlalawigan of Quezon. The Chair then directed the Secretariat to invite the mayors of the 1st and 2nd Legislative Districts of Quezon, Governor, Vice-Governor and the Members of the Sangguniang Panlalawigan of Quezon.

Hon. Federicao Belen, Councilor, Lucban, Quezon, speaking in Filipino, supported the bill. He said that the Sangguniang Bayan of Lucban passed Resolution No. 82-2012 supporting the passage of the bill. He recalled that some of his colleagues experienced so much difficulty in travelling to Lucena City when they attend the Councilors League meeting.

Hon. Leonchito A. Gapasangra, Vice-Mayor, Mauban, Quezon, speaking in Filipino, stated that the Sangguniang Bayan of Mauban has not yet come up with the decision to either support or oppose the bill.

The Chair informed the Body that he is in receipt of Resolution No. 2012-35 of the Sangguniang Bayan of Sampaloc objecting to the creation of Quezon del Sur and a letter from Mayor Artemio Mascarena of the Municipality of Alabat also objecting to the creation of Quezon del Sur.

The Chair decided to suspend consideration of the bill and schedule the next meeting on May 23, 2012. Deputy Speaker Tanada said that he will just inform the Committee Secretary when will be the next meeting.
