

Republic of the Philippines
HOUSE OF REPRESENTATIVES

15th CONGRESS
3rd Regular Session

HOUSE BILL NO. 6646

Introduced by **HONORABLE BENHUR L. SALIMBANGON**

EXPLANATORY NOTE

Education is a major factor in the development of a nation. A nation with fully educated populace brings forth progress and advancement to the society. The citadel of education is the school. It is where the formal education takes place, it is where the children learn and cope with the demands of the learning system. Its paramount objective is to provide the best education to its enrollees.

In order to achieve best education, the school must have its own set of administrative and supervisory support staff. The instructors must be highly motivated and room for growth and improvement for them must be available. Regular source of funds every school year must be adequate and sufficient to meet the school's growing needs. This can all be realized if Daantabogon National High School will be converted into an independent national high school.

At present, the Daantabogon National High School, located at Barangay Daantabogon, Tabogon, Cebu is only an extension of Dona Liling Neis Negapatan Memorial National High School which is located in Barangay Tapul, Tabogon. Every year, there is consistent increase of enrollees in Daantabogon National High School. The growth of the populace in barangay Daantabogon demands that Daantabogon National High School be separated from Dona Liling Neis Negapatan Memorial National High School.

Hence, the approval of this Bill is earnestly recommended.
