H.B. No. 6675

Introduced by : **Atty. MA. THERESA B. BONOAN-DAVID**
Representative, 4th District Manila

EXPLANATORY NOTE

It is not rare that a young person, fresh out of college and desirous of a decent means of livelihood, finds himself at a loss on how to pay for the many clearances and documents required of him by a prospective employer. With requirements such as the NBI clearance, SSS 10, certification from the local government, and other fees to be paid, the situation is somewhat illogical and even oppressive, considering that these fresh graduates are usually seeking employment precisely to obtain a regular income for the first time and that by the time and that by the time a student graduates, the family resources are often already severely depleted because of the high costs of a tertiary education.

This bill seeks to address this situation not by means of a dole-out, but by a reasonable waiver of the fees collected by government for various clearances, licenses, and another documents from fresh graduates wanting to work and to be productive members of society. It is a simple measure that intends not only to provide relief but also to show the State's commitment to promote the interest of the youth. The waiver of these fees must be taken not as a loss of revenue for the government, but as an investment in its emerging labor force, which would be in its best interest to protect.
