House Bill No. 4719

Introduced by Honorable Irvin M. Alcala

EXPLANATORY NOTE

The bill proposes the creation of two additional branches of Municipal Trial Court in Cities (MTCC) for the City of Lucena, Province of Quezon for the purpose of easing the burden of resolving cases under the jurisdiction of the existing MTCCs in the city.

Lucena City is a first class highly urbanized city, and the capital city of Quezon. It also belongs to the 20 most competitive cities of the Philippines. It is the center of commerce, industry, transportation, and communications in Quezon province. According to the 2011 census, it has a population of 270,000 people in 45,902 households. Being a business center and a populated city, transactions that require judicial intervention are higher and escalate through the years.

With the increase of population and transactions in Lucena, the number of cases continues to grow, and clog the dockets. When court dockets are clogged with cases, the inflow of new cases and the hastening of proceedings of pending cases are impeded. Under Bates Pambansa Big. 129, Lucena City has only two MTCC which at present, handle 1,500 cases per branch. Ideally, each branch of a court should handle from one hundred and fifty (150) to two hundred (200) cases. Clearly, the two MTCCs are inadequate to deal with the total case load. Hence, there is a need to allocate additional court branches in the city.

In view of the foregoing, approval of this bill is earnestly requested.

Rep. Niel C. Tupas, Jr., Chairman of the Committee on Justice called the meeting to order at 9:52 a.m. The Chairman called on Atty. David Robert Amorin, Service Director of the Legal/Political Cluster to lead the prayer. Rep. Rodolfo Albano, Jr. then moved to dispense with the roll call. The motion was duly seconded and approved.

II. APPROVAL OF THE MINUTES OF THE AUGUST 14, 2012 MEETING

Rep. Albano moved to dispense with the reading of the minutes and to approve the same. Both motions were duly seconded and approved.

III. MEETING PROPER

A. CREATION OF ADDITIONAL COURT SALAS (House Bill Nos. 2306, 2958, 3372, 4265, 4670, 4708, 4719, 5531, 5558, 5566, 5839 and 6418)

The Chairman presented to the members of the Committee the various House Bills creating additional court salas. He stated that during a meeting of the Judicial and Bar Council (JBC), the members of the JBC agreed that with regard to the creation of new court salas, the Committee shall base its decisions on the recommendations of the Supreme Court. The Chairman then called on Deputy Court Administrator Antonio Eugenio, Jr. to comment on the said House Bills. DCA Eugenio questioned the creation of four (4) Regional Trial Courts (RTCs) in separate locations in Caloocan City, as provided in HB 4265. He stated that the reason for the splitting of the 4 RTCs into separate locations (Caloocan City Proper and

Calapan City North Station) must be clarified. DCA Eugenio also deferred his recommendations on HB 5531 and 5536 in order to conduct further studies on the need for the creation of additional court salas in Olongapo, Zambales and in Pasig City.

With regard to HB 5566, the Chairman manifested that the author of the bill, Rep. Josephine Lacson-Noel, has submitted an amendment to the bill such that there will be two (2) additional Metropolitan Trial Court (MeTC) branches instead of just one (1) in Malabon. DCA Eugenio expressed his agreement to the amendment and did not interpose any objection thereto.

Rep. Albano stated that there are some local government units (LGUs) where salas are provided, but which do not have judges or personnel. He recommended that the funds for newly created salas be released only upon the actual organization of such courts. DCA Eugenio agreed to raise this issue to the Court Administrator.

After the comments from DCA Eugenio, the Chairman deferred action on HB Nos. 4265, 5531 and 5538 pending the written recommendation to be submitted by the Office of the Court Administrator on September 7, 2012. Rep. Albano then made an omnibus motion to approve the remaining nine (9) bills, subject to form and style, and subject further that the funds appropriated to such court salas shall be released only upon the actual organization thereof. The motion was duly seconded and there being no objection, and the following bills were approved on the Committee level:

1. HB No. 2306 re: 5 MeTC (Makati City) by Rep. G. Arduiza;
2. HB No. 2958 re: 1 RTC (Cauayan, Isabela) by Rep. N. Dy;
3. HB No. 3372 re: 2 MTC (Calbayog) by Rep. Sarmiento;
4. HB No. 4670 re: 1 RTC (Guihulngan, Negros Oriental) by Rep. Linkaichong;
5. HB No. 4708 re: 2 RTC (Parañaque) by Rep. Oliverrez;
6. HB No. 4719 re: 2 MTCC (Quezon) by Rep. Alcala;
7. HB No. 5839 re: 5 RTC and 5 MeTC (Pasay) by Rep. Calixto-Rubiano;
8. HB No. 6418 re: 4 MTC (Oriental Mindoro) by Rep. R. Umali; and,
9. HB No. 5566 re: 2 MeTC and 5 RTC (Malabon) by Rep. J. Noel

B. SUSPENSION OF THE MEETING OF THE COMMITTEE ON JUSTICE

After the approval of the omnibus motion of Rep. Albano, the Chairman suspended the meeting of the Committee in order to give way to the joint meeting of the Committees on Justice and Government Reorganization. The meeting was suspended at 10:15 a.m.

C. CONTINUATION OF THE DELIBERATION ON THE BUREAU OF CORRECTIONS MODERNIZATION ACT OF 2011 (House Bill Nos. 197, 712, 2880, 4619, 4766, 5546, 5741 and 5926, and House Resolution No. 1327)

The meeting of the Committee on Justice resumed at 10:45 a.m. upon the adjournment of the joint meeting of the Committees on Justice and Government Reorganization. The

Chairman informed the members that the Committee conducted three (3) public hearings with regard to the BuCor Modernization Act of 2011. These public hearings were held in the New Bilibid Prison in Muntinlupa City, the Correctional Institution for Women in Mandaluyong City, and the Iwanig Prison and Penal Farm in Puerto Princesa City, Palawan. The Chairman added that the next public hearing will be conducted either in the Sablayan Penal Colony in Oriental Mindoro or in the Davao Penal Colony in Davao del Sur.

After his preliminary remarks, the Chairman asked the resource persons about the status of the "kubols" found in the New Bilibid Prison (NBP). PSupt. Ramon Reyes answered that not all of the "kubols" were demolished but were instead restructured wherein each "kubol" now houses five (5) inmates. These "kubols" are also now uniform structures. PSupt. Reyes added that the "living-out" privileges were abolished in response to the recommendations of the members of the Committee during the public hearing held in the NBP.

The members of the Committee raised questions regarding the "kidnapping" incident involving Rolito Go last August. Deputy Director Rafael Ragos of the National Bureau of Investigation (NBI) answered that the NBI and the Criminal Investigation and Detection Group (CIDG) of the Philippine National Police (PNP) are investigating the incident. However, Dep. Dir. Ragos stated that the NBI tends to believe the theory of kidnapping, based on the report submitted by the NBI to the DOJ. He also acknowledged the presence of a syndicate inside the NBP compound which is involved in these so-called kidnapping incidents.

Rep. Leopoldo Bataoil requested that the BuCor submit to the Committee a copy of the report of the DOJ regarding the review of the rules and regulations of the BuCor. BuCor Administrator Manuel Co agreed to the request of Rep. Bataoil.

Sought for comments on the proposed BuCor Modernization Bill, Dr. Renante Basas of the Commission on Human Rights (CHR) expressed his support to the bill, adding that the modernization of the BuCor will help the Philippines meet the UN standards on the treatment of prisoners. He also stressed the importance of a human rights-based approach to prison management.

Asked by the Chairman whether there is a need to centralize the jails and penal facilities under the separate jurisdictions of the BuCor, Bureau of Jail Management and Penology, and provincial jails, Administrator Co replied that a single jail system might be feasible under a Department of Corrections. However, Public Attorney's Office (PAO) Chief Presiza Acosta expressed her reservations to such a proposal, claiming that centralization might be difficult on the management of inmates and detainees. Instead, PAO Chief Acosta proposed that the only alternative is to strengthen the BuCor.

After the above discussions, the Chairman instructed the BuCor to submit to the Committee within one week a report on the various issues raised during the meeting, including 1.) the "kubol" system, 2.) living-out privileges, 3.) illegal drugs, 4.) prostitution, 5.) kidnapping, and 6.) guns-for-hire.

Rep. David Kho moved that a Technical Working Group (TWG) be created in order to consolidate all the bills on the modernization of the BuCor. The motion was duly seconded by Rep. Batacil, and there being no objection thereto, the motion was carried.
