FIFTEENTH CONGRESS
Second Regular Session

HOUSE BILL NO. 5540

Introduced by HON. EDGAR S. SAN LUIS

EXPLANATORY NOTE

Section 16, Article III of our Constitution gives each person the right to a speedy trial as it provides that "All persons shall have the right to a speedy disposition of their cases before all judicial, quasi-judicial or administrative bodies."

The Judiciary Reorganization Act of 1980 (BP 129) allotted the corresponding number of courts per judicial region based on the exigencies existing at that time.

Twenty seven years have passed since the effectivity of BP 129.

Because of the increase in our population and the increase in the volume of cases filed, our court dockets have been clogged and this has resulted in the delay of the resolution of cases.

Based from the data and recommendations of the Office of the Court Administrator, the four (4) existing branches of the Regional Trial Court in the Municipality of Sta. Cruz, Province of Laguna has a caseload of 2,190. Taking into consideration the ideal caseload of 300-450 per RTC branch, the ideal number of RTC branches for the said municipality is 5. Hence, the proposal to create an additional branch.

In order to have an effective and efficient administration of justice, it is very important that there is a speedy resolution of court cases. It is in this context that the number of courts must necessarily be increased.

In view of the foregoing, the passage of this bill is earnestly encouraged.
