EXPLANATORY NOTE

Education of the youth is an essential tool for their bright future. It is therefore necessary for the state to provide it for them. Establishing a national vocational high school in places where it is needed is only a step in fulfilling this necessity. As their representative, I saw the need of establishing a national vocational high school in San Isidro, Sogod, Southern Leyte. Once established, the educational institution herein sought to be created will greatly contribute to the knowledgeable well being of future residents of San Isidro.

In view of the foregoing, passage of this bill is hereby being earnestly sought.
