HOUSE BILL NO. 6919

Introduced by Honorable Roger Gaviola Mercado

EXPLANATORY NOTE

San Isidro to Magatas road is located in an area in Sogod, Southern Leyte which is more frequently visited by heavy rains. Its present condition is vulnerable to damaged making it virtually impassable during heavy downpour. If left unpaved with concrete, the said road will be rendered useless as motorist could not access the said road more often than not. This current condition of the road herein sought to be paved has seriously affected the economic growth of the nearby villages.

In view of the foregoing, passage of this bill is hereby being earnestly sought.
